MEGGITT
smart engineering for
extreme environments

MABS, an operating company of Meggitt PLC, is one of the world's leading manufacturers of aircraft braking equipment, including antiskid, auto-brake and brake-by-wire systems, as well as wheels, carbon and steel brakes. Its products are installed on over 30,000 aircraft worldwide.

For these products contact:
Teri Turner, Line Manager
Fax: **630-227-2929**
E-mail: Teri.Turner@aarcorp.com
Phone: 630-227-5915
1100 N. Wood Dale Rd.
Wood Dale, IL 60191

“smart engineering for extreme environments”

How To Use This Complete Parts Index

This is a **full, complete listing** of the parts distributed by AAR for this Original Equipment Manufacturer.

The **front half** of this list is **sorted by National Stock Number**, followed by the Part Number, then the Part Description.

The **back half** of this list is **sorted by Part Number**, followed by the National Stock Number, then the Part Description.

FAX your Request for Quotes and Orders to 630-227-2929 or e-mail or call your AAR Product Line Manager listed on the front and back covers.

To download other **full listings** of parts distributed by AAR for other Original Equipment Manufacturer, go to www.aarcorp.com/defense_distribution
